Upon the same day of the week following the day on which any adult or child has been vaccinated or revaccinated, as provided in section 3, 4 and 6, such adult shall present himself at, and the parent or guardian shall again take or cause to be taken such child to, the same place and at the same hour as before, in order that the officer in attendance may ascertain by inspection the result of such operation, and, if he sees fit, take from such adult or child lymph for the performance of other vaccinations; and in the event of the vaccination being unsuccessful, such adult shall cause himself, and such parent or guardian shall cause such child, if the officer so directs, to be forthwith again vaccinated and inspected as on the previous occasion.

Penalty for washing out lymph or interfering with vaccine vesicles.

*8. Whoever shall wilfully wash out or in any way remove the lymph from any puncture or punctures after vaccination, or cause or permit the same to be washed out or removed, and whoever shall, by the application of any substance or otherwise, interfere with or prevent or cause to be interfered with or prevented the due perfection of any vaccine vesicle or vesicles, shall be guilty of an offence, and be liable to a fine not exceeding ten rupees.

Certificate of successful vaccination.

9. On and immediately after the successful vaccination of any adult or child, the officer who shall have performed or inspected the operation shall deliver to the adult vaccinated, or the parent or guardian of the child vaccinated, a certificate under his hand according to the form A in the Schedule ; and shall also transmit at the end of every month a list of such certificates to the superintendent of vaccination of the district in which the operation was performed.

10. If such officer shall be of opinion that the adult or child is not in a fit and proper state to be vaccinated, he shall immediately deliver to such adult, or to the parent or guardian of such child, a certificate under his hand according to the form B in the Schedule, which certificate shall remain in force for a period (not exceeding six months) to be specified therein by the officer granting the same.

Course to be pursued when adult or child is not in a fit state to be vaccinated.

11. The certificate required by section 10 shall remain in force for the period specified therein; but the adult or the parent or guardian of the child shall be entitled to apply for a renewal thereof for any succeeding period which the officer appointed as aforesaid is hereby directed to grant, so long as he shall be of opinion that the adult or child is unfit for vaccination and is unvaccinated. If at any time when the adult or child presents himself, or is brought before him, the officer shall deem such adult or child to be in a fit and proper state for successful vaccination, he shall forthwith vaccinate the adult or child accordingly, and shall deliver to the adult, or the parent or guardian of the child, a certificate according to the form A in the said Schedule ;

Certificate to last for the period specified therein, and to be renewed if need be.

Provided, however, that if the said officer shall find that any adult or child whom he has three times unsuccessfully vaccinated is insusceptible of successful vaccination, or that any adult or child coming to or brought to him has already had the smallpox, he shall deliver to such adult, or to the parent or guardian of such child, a certificate under his hand according to the form C in the Schedule, or to the like effect; and such adult or child shall thenceforth be exempted from vaccination for a period of seven years.

12. The superintendent of vaccination of every district in which the operation has been performed shall forward lists of the certificates sent to him under section 9 to the Director of Health Services, at such times and in such forms as such last-mentioned officer shall prescribe. And it shall be the duty of the Director of Health Services to keep a register of the persons of whose successful vaccination lists shall have been transmitted to him as above provided,
